PROFESSIONAL SUMMARY

B.Tech Information Technology student with knowledge of data analysis, data cleaning, and data visualization using Excel, SQL, Power BI, and Tableau. Interested in identifying trends, analyzing datasets, and creating interactive dashboards to generate meaningful insights. Seeking an entry-level Data Analyst role to apply analytical and problem-solving skills.

TECHNICAL SKILLS

SQL: Database Creation, Data Insertion, Aggeregate Function, Data Querying
Microsoft Excel: Data Handling, Data Cleaning, Formulas, Pivot Tables, Basic Data Analysis
Power BI: Power Query, Data Modeling, Dashboard Development, KPIs, Basic DAX (learning)
Data Visualization: Power BI, Tableau (foundational)
Programming: Python (Currently Learning)

INTERNSHIP EXPERIENCE

Data Analytics Intern | Why Global Services — 27 July 2026 – 27 August 2026

- Used SQL for database creation, data insertion, data cleaning and querying.
- Used Microsoft Excel for data handling, Pivot Tables and preliminary data analysis.
- Imported and transformed data in Power BI; applied data modeling and table relationships.
- Developed interactive dashboards and report visualizations to present information clearly.

PROJECTS

Sales and Profit Analysis Dashboard | Microsoft Power BI — Status: In Progress

- Building an interactive Power BI dashboard to analyze sales and profit data from an Excel dataset.
- Using Power Query, data modeling, table relationships and DAX measures to build KPI cards and visualizations that communicate key metrics.

E-Commerce Sales Performance Dashboard | Microsoft Excel

- Built an interactive Excel sales dashboard tracking Total Revenue (₹35,530), Total Units Sold (340) and Average Rating.
- Used Pivot Tables, dynamic charts and Slicers (Shipping Status, Region) to analyze Sales Rep Performance, Order Fulfillment Status and Revenue by Category.

EDUCATION

B.Tech – Information Technology — 2023 – 2027
Mohamed Sathak Engineering College, Kilakarai | CGPA: 8.09
HSC – syed Ammal Matric Boys & Girls Higher Secondary School, Ramanathapuram | 76.66% — 2023
SSLC – Syed Ammal Matric Boys & Girls Higher Secondary School, Ramanathapuram | Pass — 2021

CERTIFICATIONS & TRAINING

- Data Analytics Internship Completion Certificate – Why Global Services — 27 Jul – 27 Aug 2026
- Data Analytics Master Class (30 Days) – NoviTech R&D Pvt. Ltd. — 29 Jun – 4 Aug 2026
- SQL – The Backbone of Industry (2-Hour BootCamp) – NoviTech R&D Pvt. Ltd. — 4 Oct 2026
- Python 3.4.3 Training – Completion Certificate — 2025
- Power BI Master Class (21 Days) – NoviTech R&D Pvt. Ltd. — 24 Sep – 22 Oct 2026
